Dearest Fara and Fatima

I am writing to express my gratitude for the 5 years of commitment that MCC Herndon has shown to Jayden. When I was looking for a place for a child care in learning, I never conceived what a jewel I found in MCC. Your school has fostered my child's mind and taught Jayden learning was an adventure not a chore. I will always be indebted to the school for its curriculum and individual attention.

Jayden is very focused, astute, and has a high aptitude to learn. These accomplishments were recognized by child psychologist who performed Jayden's WPSII test and the admission directors at Flint Hill Prep School as well as Edlin Gifted and Talented School Flint Hill as well as Edlin. His acceptance to both of these schools and fostering of his abilities is primarily due to Mrs Poorani's effortless dedication to Jayden. My gratitude for your adherence to my child's education and future is beyond what words could express.

In addition, it would be easy for a teacher to do her job and overlook details of talent, initiative, and respect of an individual student; but your staff diligences when it comes to cultivating MCC children's future are phenomenal. I would like to put emphasis on your loyal and reliable staff especially Mrs Poorani, Ms Simmi, Ms. Nellie, Ms. Cathy, Ms. Allada without their love and faithfulness to Jayden I do not know where we would be.

In closing, MCC's awesome staff has bestowed a great trust to me that I do not have to worry about Jayden's daily safety and care. They have eased my anxiety in placing my child on other peoples care; since the first day I drop Jayden off on January 5th, 2006. The trust I have for your school and its ability to mold a child's future go beyond words of recognition.

Sincerely

Keesha M. Crosby
